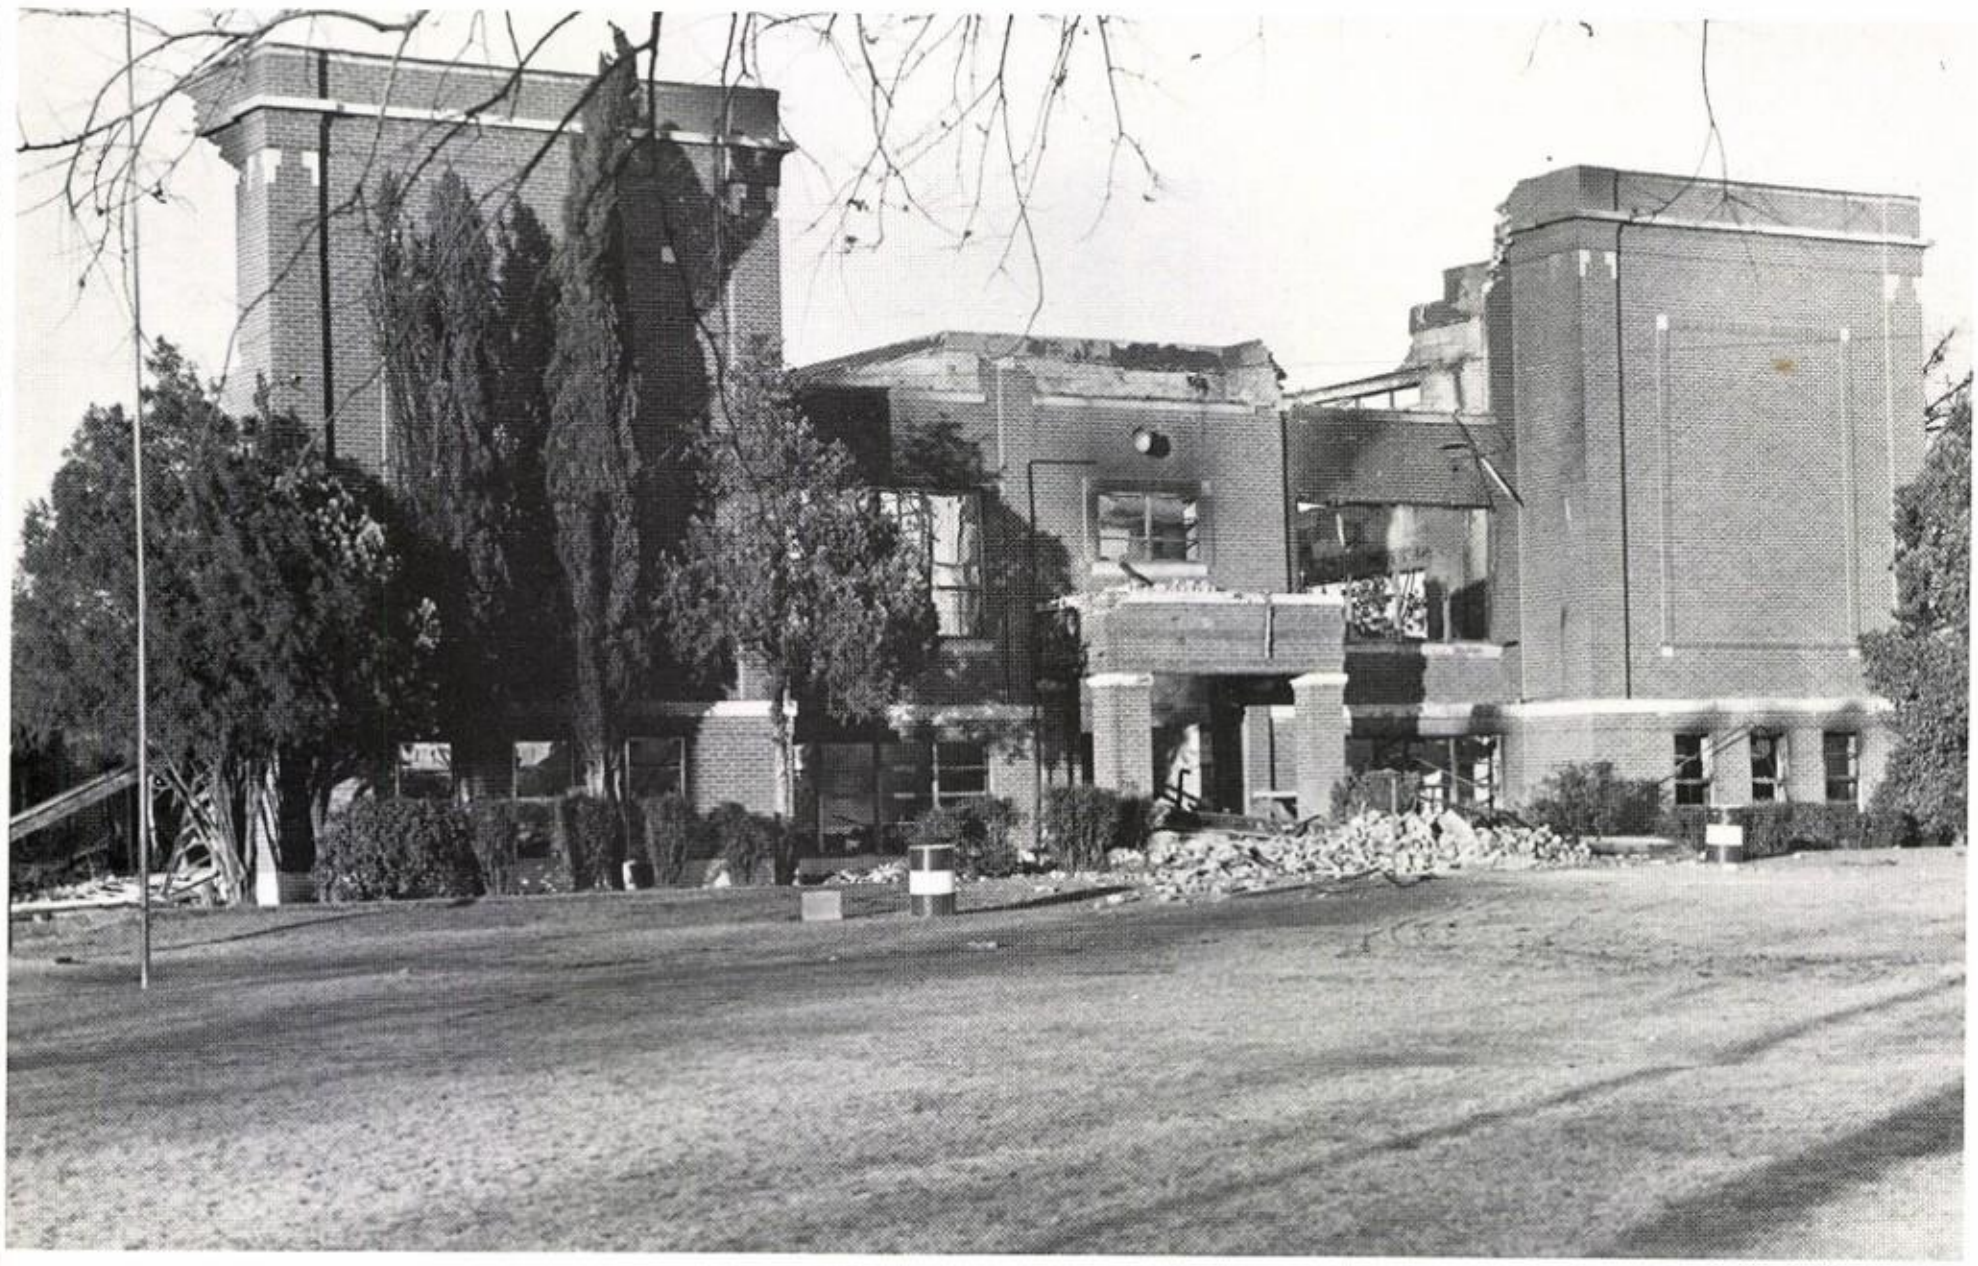
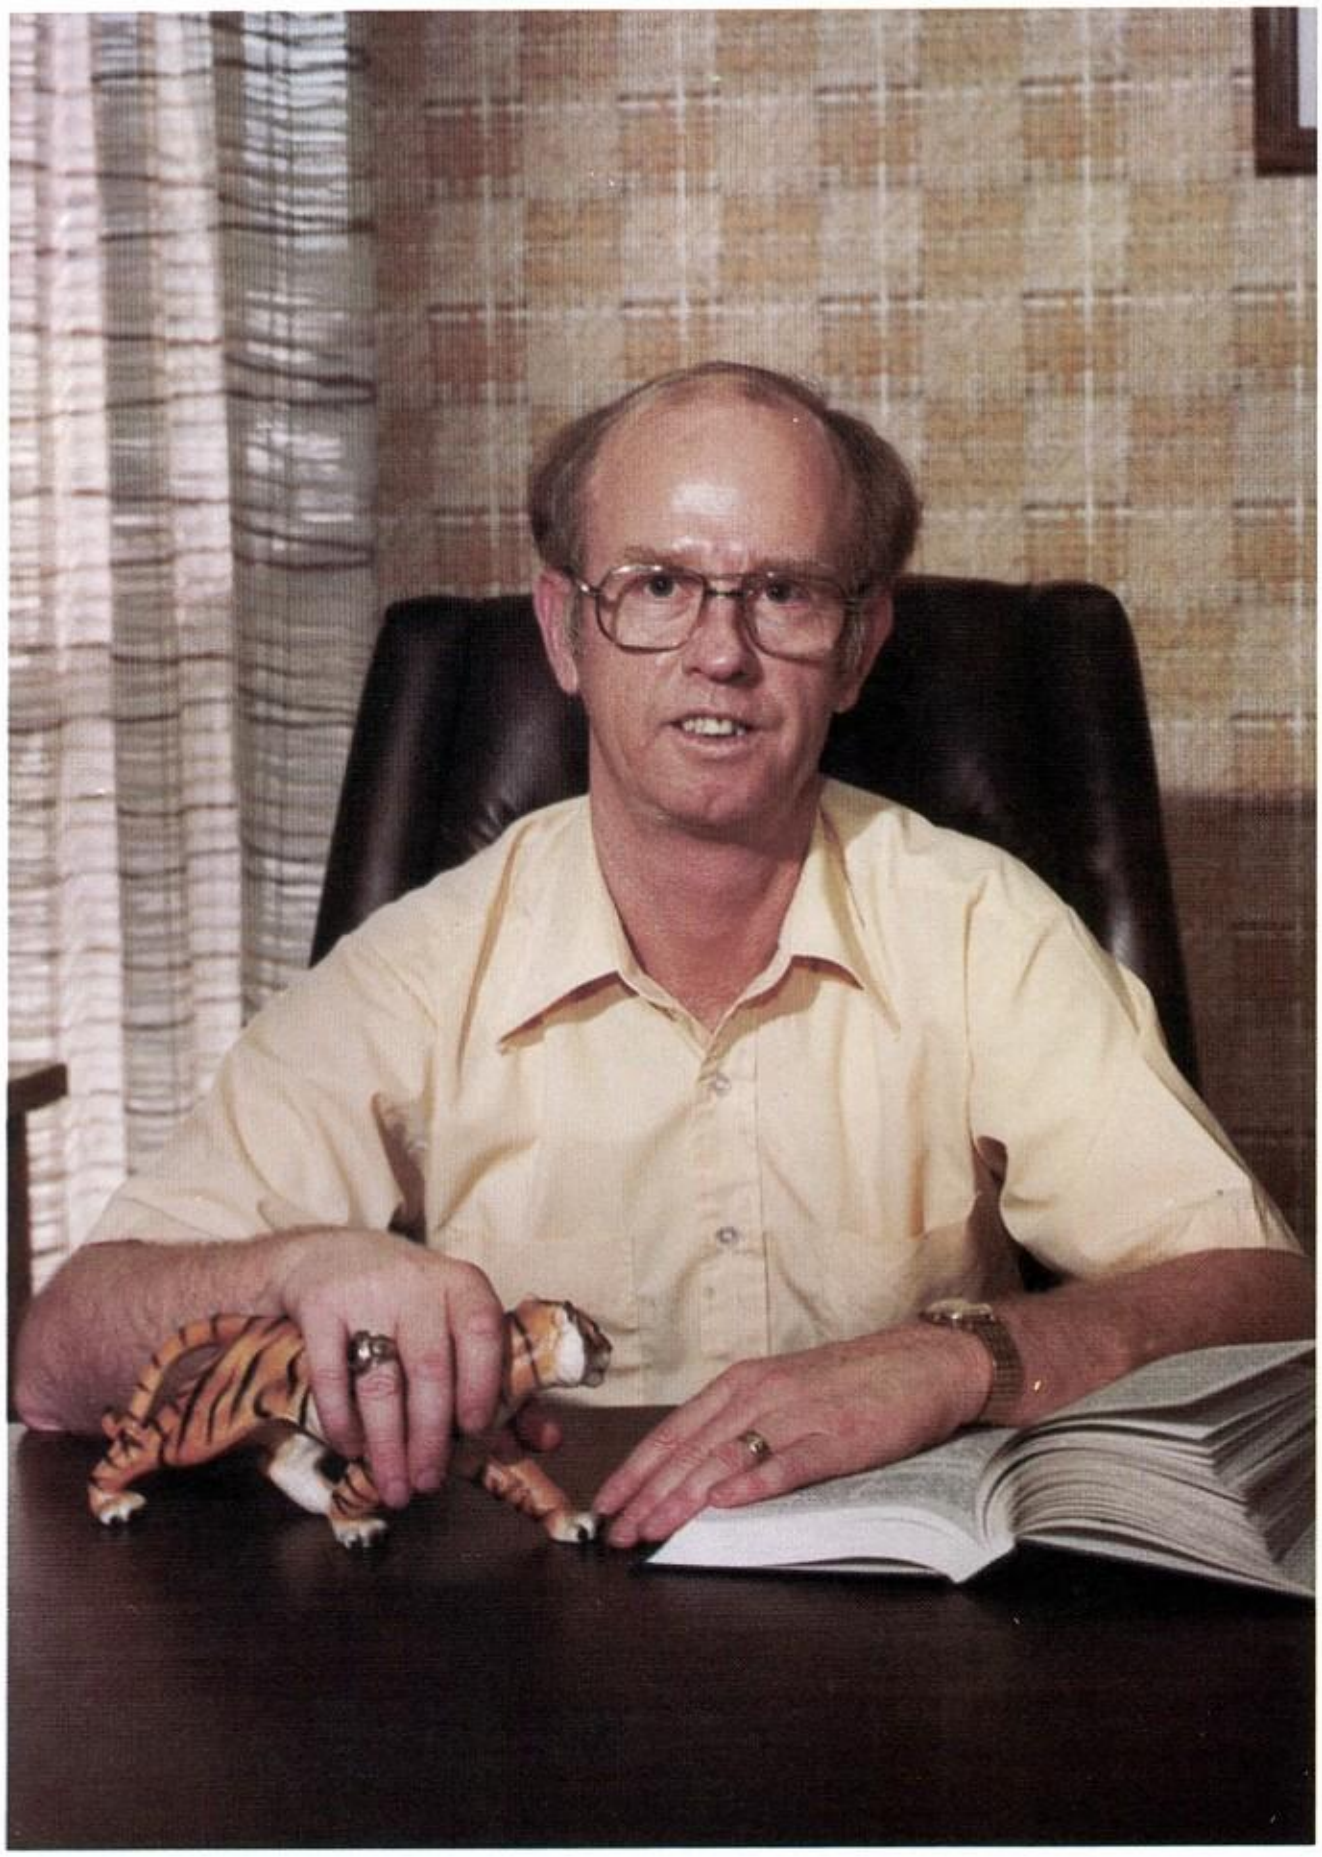
but, suddenly, all that remained were memories.



Dedication



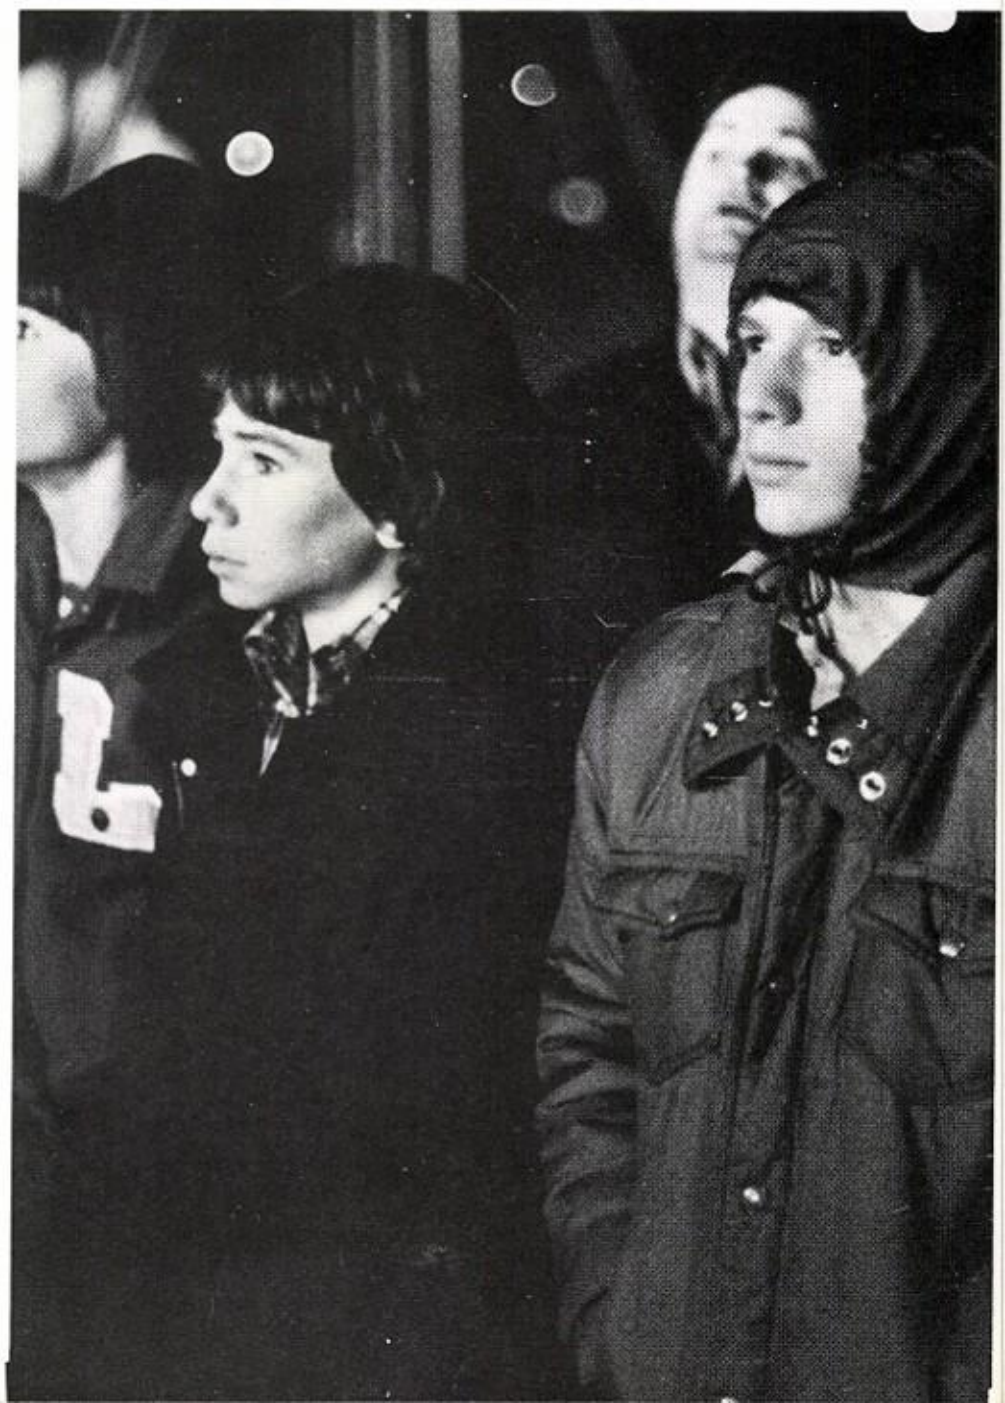
Mr. John Wayne London

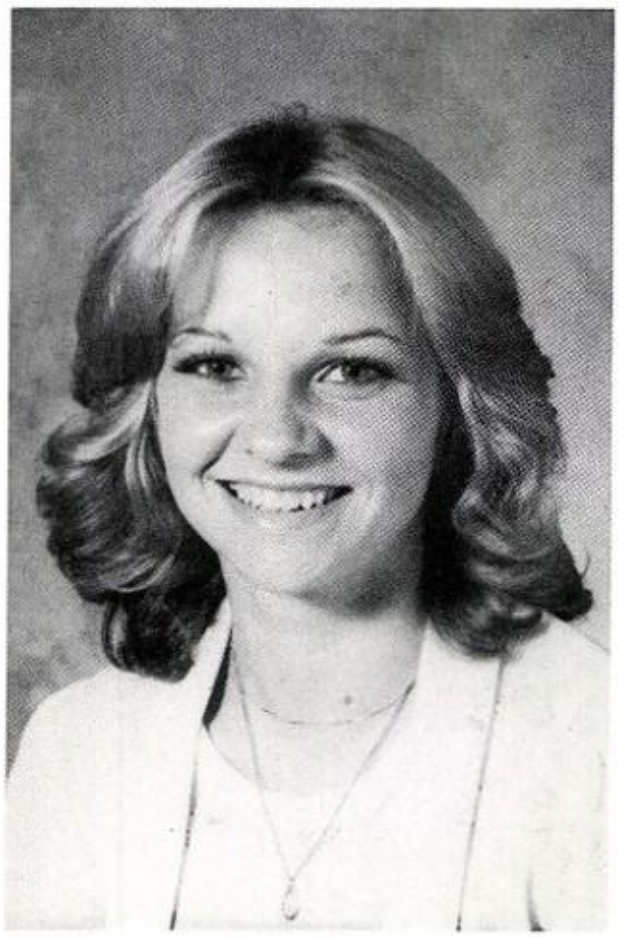
The annual staff dedicates the 1980 Tiger's Tale to Mr. John Wayne London, teacher and principal. His continued guidance, encouragement, and support for everyone have endeared him to the students and faculty of Leonard High School. Mr. London—we love you, we salute you, and we thank you.

The Times of Your Life

Good morning, Yesterday.
You wake up, and Time has slipped away.
And suddenly it's hard to find
The memories you've left behind
Remember?
The laughter and the tears,
The shadow of misty yesteryears,
The good times and the bad you've seen,
And all the others in between,
Remember?
You start with the joys of tomorrow;
Put them away in your mind,
For memories are times that you borrow
To spend when you get to tomorrow.
Here comes the setting sun.
The seasons are passing one by one.
So gather moments while you may;
Collect the dreams you dream today.
Remember?
Will you remember the times of your life?

In mid-year students were faced with a new challenge.





Editor—Jamie Tucker

FOREWORD

In your hands you hold a portion of the events Leonard High School experienced during the 1979-80 school year. This record ranges from the joy and excitement of having a regional-qualifying basketball team to the despair and disbelief at losing our high school.

We, the staff, hope that as you look through this yearbook it will help you recall all the good times you've had—and the sadder as well.

We take great pleasure in presenting this, the 1980 Tiger's Tale, to you. We sincerely hope you enjoy it now and in the years to come.

In Memory of

Dr. Robert D. Van Schoick

The sun shines . . .
The tree flourishes,
Just as God's love shines,
And we flourish.
But . . . as the sun's warmth
Passes away into autumn,
The tree fades into slumber . . .
So must we.

How wonderful though,
When spring comes . . .
Life comes to the tree again.
God's love shines and . . .
Unto everlasting life we pass.

The trees and God's children . . .
All born again.

The students of Leonard High School will always remember the time and support which Dr. Van contributed to all their activities.

We will miss him for years to come.

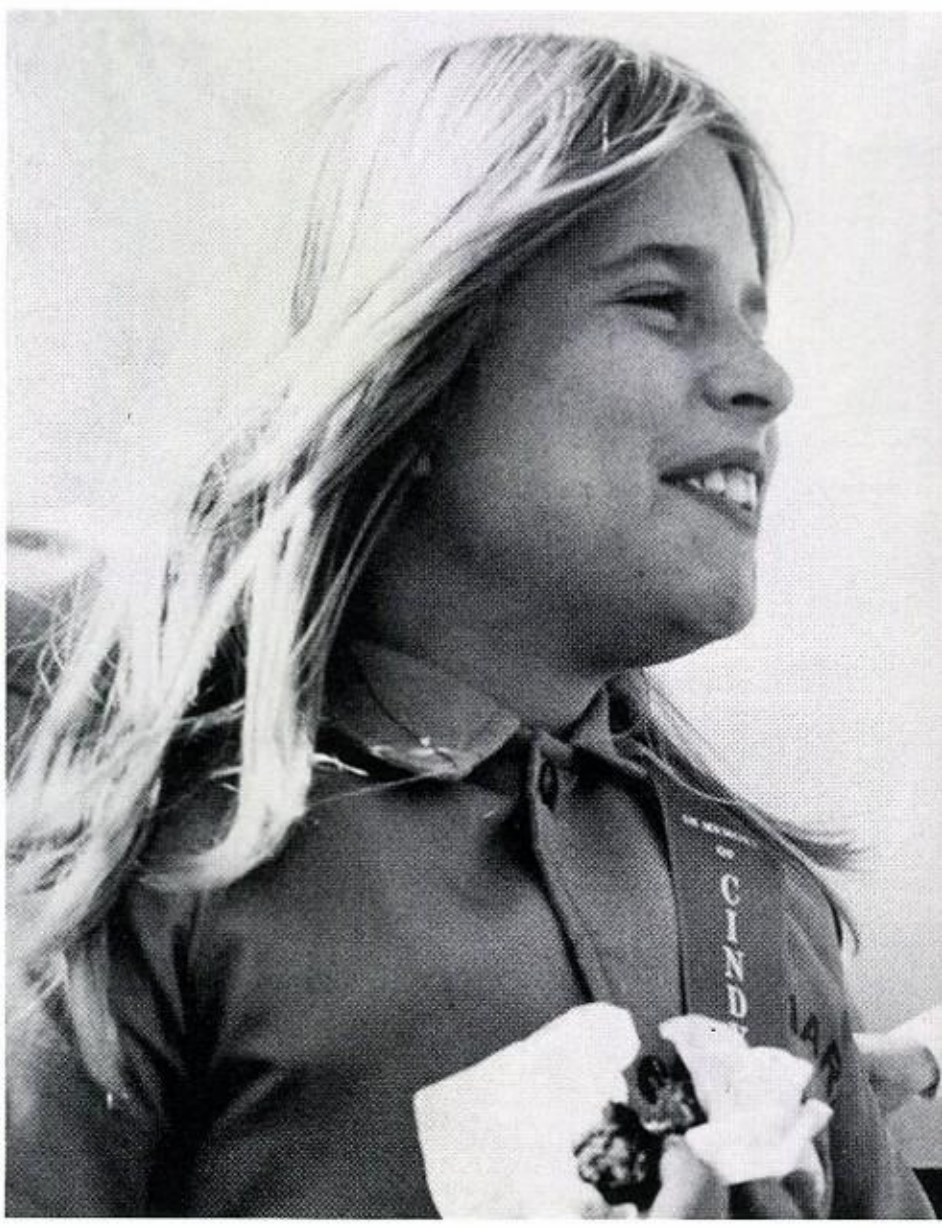
Cindy Morris Day: Nov. 10, 1979



The students and citizens of Leonard, Texas joined together to raise funds for Cindy Morris of Celina who was fatally injured in a Cheerleading accident. The combined efforts of many people were very successful. The Morris family recognized their efforts and love and granted a full four year scholarship in memory of Cindy to Ted Williams, valedictorian of the Class of 1980.

The hard working out, the extra hours, and the listening to Coach Miller yell all paid off as the Fighting Tigerettes took the District 16A Basketball Championship title. It was the first time since the 1973-74 school year. Our determined girls beat Cooper 41-40 in a district playoff to take the title. They then won Bi-District by beating Southlake Carroll. The fans were terrific. They supported our Tigerettes all the way, and we deeply appreciate it. When we went to Regional in Denton the whole town came, even if they didn't like basketball. They wanted to see what everyone was talking about. The Tigerettes were up against their toughest opponents all year, the Grandview Zebras. They fought hard and played tough, and with two minutes to go, overcame a sixteen point deficit to come within one point of winning the game. However, there wasn't enough time left on the clock, and the Tigerettes suffered a disappointing 47-44 loss. But we are proud of them. They did a great job all year. We only lost one senior, Sheila Broadway, and the rest of the team will be back next year—tougher than ever. We would also like to congratulate Coach Miller for receiving the "Coach of the Year" award. Good luck next year!

Leonard Starts a Band!

This year Leonard has started a band for kids in the sixth through tenth grades. We hope that by the time these kids are in high school they will be able to play in a high school marching band. The response has been very good. Lots of kids are participating enthusiastically in the band.

Rick Ballard, a student at Grayson County College, is the director of the band. He conducts band classes every Tuesday and Thursday afternoon. He has done a great job so far with the kids. They are also doing a fantastic job learning to play their instruments. Keep up the good work!

The annual staff would like to express thanks to everyone who purchased an ad for the 1980 Tiger's Tale. Every effort was made by the staff to compile a complete list of advertisers, but due to the fire in January, our records were lost. We sincerely appreciate your support and hope that you will continue to advertise in our yearbook.

The staff would also like to express their appreciation to Mr. Fred Conger and Mr. Rick See for supplying missing photographs lost from our files. Without their aid, our book would have been incomplete. Thanks again.
